

October 29, 2021

John Casey Spivey, M.D.  
Spivey Orthopedic Clinic  
3301 E First Street  
Vidalia, GA 30474

Dear Dr. Spivey:

Upon recommendation by the Chair of the Department of Community Medicine, I am pleased to appoint you to the faculty of the School of Medicine as Clinical Assistant Professor, in the Department of Community Medicine (*Clinical track*). This appointment is for the time period October 29, 2021 to June 30, 2022. Your faculty activities will be coordinated through the Chair of the Department of Community Medicine. We appreciate your serving as a volunteer preceptor.

I am appreciative of the contributions and support our clinical faculty give the School of Medicine in our endeavors to fulfill our mission to educate physicians and other health professionals to meet the primary care and health care needs of rural and medically underserved areas of Georgia. Your willingness to partner with us will enable the School of Medicine to achieve its vision of improving access to health care and enhancing the health status of Georgia residents.

Sincerely,

Jean R. Sumner, M.D., F.A.C.P.  
Dean
